Solutions

## Current Leadership

The company's trajectory towards excellence continues under the stewardship of **Mr. Sanjay Jain (Managing Director)**, **Mr. Rohit Jain (Director)** and **Mr. Aarjav Jain (Director)**. With a shared dream and impeccable management, they are guiding the company towards newer horizons of success.

## Our Expertise

As a key player in the steel industry, we are an extensive supplier of the steel manufactured by all major and primary steel suppliers, including **SAIL, RINL, TATA, ESSAR, JINDAL, BHUSAN, VEDANTA** and numerous esteemed secondary producers (rolling mills) across the nation. We are also an authorized dealer for the Steel Authority of India Limited (SAIL), an MOU holder for JSPL and JSW, and an approved vendor for various government agencies like Maharashtra State Distribution Co. Limited (MSEDCL), South East Central Railway (SECR), Indian Rare Earth Limited, North Bihar Power Distribution Co. Limited (NBPDCCL), and South Bihar Power Distribution Co. Limited (SBPDCL). Upholding our commitment to quality, we are certified under ISO 9001:2022.

# MISSION VISION

At RRIC, our values are the cornerstone of our foundation, guiding every action and decision we make. We are unwaveringly committed to delivering top-tier quality products at competitive rates. Our dedication to providing timely services aims to achieve total customer satisfaction. We have earned our reputation in the steel industry as the preferred supplier for our clientele and aspire to continually scale the heights of industry success...

Our vision positions us as the most esteemed name in the steel supply sector, celebrated for our unparalleled service, integrity, and quality. Every member of the R.R. Industrial family is driven by this vision, ensuring we not only enrich our internal culture but also uphold our stature as an industry forerunner and an engaged community stakeholder.
